GUILDHALL

Travel Trade Visits to St Mary's Guildhall

A warm welcome awaits groups at St Mary's Guildhall

Discover St Mary's Guildhall with its rich history of partying, power and propaganda. Experience this exciting **recently renovated visitor attraction** following a 2 year, 6 million pound major restoration.

St Mary's Guildhall has acted as the centre of power in England during the **War of the Roses**, housed the **crown jewels**, been the prison of **Mary, Queen of Scots** and hosted famous literary figures, such as **George Eliot**.

Visitors can also see the newly unveiled **medieval kitchen**, one of the best preserved in the country uncovered for the first time in 100 years. Explore where feasts fit for kings would have been prepared and where the poor of Coventry were fed during the **Victorian era** when it functioned as a soup kitchen.

In the stunning **Great Hall**, the famous **Coventry Tapestry** still hangs in its original spot after 500 years. Follow the threads of the medieval wool trade, which made Coventry an important centre of commerce and power. Make your visit even more special by pre-booking afternoon or cream tea in our fabulous **Tales of Tea** located in the atmospheric **Undercroft** of St Mary's Guildhall.
